Q.

Q is the seventeenth letter of the English Alphabet ; an articulation borrowed from the oriental *koph* or *qoph.* It is supposed to be an articulation more deeply guttural than that of K ; indeed it might have been pronounced as we pronounce *qu ;* for we observe that, in the Latin language, from which the moderns have borrowed the letter, it is always followed by *u*, as it is in English. Q never ends an English word. Its name, *cue*, is said to be from the French *queue*, a tail.

As a *numeral*, Q stands for 500, and, with a dash, $\overline{Q}$, for 500,000.

Among *mathematicians*, Q. E. D. stands for *quod erat demonstrandum*, which was to be demonstrated.
